## Note from the President's Shack

Greetings everyone, hope you all are well. As we close out the year it comes with some good news. We welcome a couple new members to the Board of Directors. I would like us all to welcome Jerry Baker KD8AYL as our new club President. And Greg Kensbock KE5ALF as our new club Secretary. Roberta Vasilow W8GSX will return as Treasurer and Robert Dunn KE8OOK as Member at Large. This is a great position for the club to be in, as this is the first time in years with a full BOD. With this new board set we hope you all will show your support as they transition into their new rolls.

We had some struggles over the last few years with pandemics and illnesses and other things beyond control. We also have lost a few members this year to silent key. May they all RIP and their memories and contributions to the hobby be remembered by all who knew them.

We also had some strides this year as we were finally able to upgrade the repeater system for the club. Dave Petrie WA2KJC was instrumental in designing and installing our

new system. With much better capabilities and modes available. See website for details.

Also we will be moving to a new meeting location in January 2023 for Board Meetings and regular club Meeting. Holy Spirit Lutheran Church, 7234 Fenton Rd. Grand Blanc, MI. 48439. Great facility with lots of room and possibilities for future events.

As I close out my tenure on the Board of Directors, 3 years Secretary and 2 years as President. I would like to thank all for their support and dedication to the club to help keep it alive. It was close at times but i think we are back on a rise with good times to come. Just time for me to step aside and let some new ideas and blood take over. I will be active in the club and support the Board any way I can. With this I wish you all a Merry Christmas and a Happy and Prosperous New Year. May you and yours stay happy and healthy for the coming year.
