Thursday Night Net

The net begins each Thursday evening at 2000 and is a directed net. One of our members serves as the Net Control Station.

We talk about the club and everything else related to Amateur Radio so be sure to check us out on the 2 meter repeater:

147.340Mhz + (100hz PL tone) or

on the 70cm repeater

444.200Mhz+ (107.2 PL tone)

The repeaters are linked for this net. All licensed amateurs are welcome.

A report on the response to the three mailings that were sent out to those members that are in arrears on their dues for a period of a year or more was given by the Secretary. A discussion on the matter was held and the President moved that those members who have not responded be dropped from the membership rolls. It was also discussed that dues are payable by the first of each year.

The status of our repeaters was given under Old Business and the upgrades were discussed. Under New Business the President would like to see the formation of several new committees. Some of the committees that were brought up for consideration were as follows.

1. Engineering team for the Repeaters and other communication systems
2. A committee for our Public Service/Community relations
3. A committee to help update and oversee or website

We already have two volunteers to head up several new committee's
Al Smith WB8YOB for the Training/Presentation committee
Clay Hewitt KF8UI for the Field Day committee

President Jerry showed off the camera system that the church is letting us use for our meetings, it has multiple smart cameras that not only can film the meeting, but they respond also to the individual who is speaking at the time. A call for any newer business was made and seeing none the meeting was called at 7:34pm.

Greg Kensbock, KE5ALF, Secretary (W8ACW)
