There were 12 members present for the meeting and 3 regular members (5 total) attending on Zoom. There were 2 guests attending on Zoom, Noah Becker KE8CFH and Jeff Mativa KB8SWR.

The Treasures report was called for and given by the President who reported that we have a balance of \$5008.64 on deposit, a motion to accept the report as given was voted on and passed. A reading of the minutes of the last meeting was given by the secretary, one correction was noted (the date for the food drive is May 20th) and a motion to accept the minutes as read was made and a vote was taken and passed. The Member at large was asked if he had a report and he stated he had none at this time.

The President announced that “**GEORGE ZIGORIS, W8ZIG**” a long-time member of **W8ACW** has passed away at his home in New Mexico. A notice of his passing was asked to be put in the newsletter and club minutes so that those who knew him would be made aware of his becoming a Silent Key.

Old Business,

1. A report on the status of the repeaters was called for, it was stated that they are working fine.
2. The Constitution committee was asked for a report on the status of the revisions, and they stated they’re working on a time and place for a meeting.
3. The President reported that he’s still waiting on a report of possible sites for Field Day, and that he has material in his garage for the event.

Show and tell,

John Davis gave a lengthy talk on his 3D printer and the projects he has fabricated with it.

New Business,

The President brought up the fact that this is our 90th year as a Ham Radio club and that we’re still a recognized affiliated club with A.R.R.L. (over 50% of our members are members of A.R.R.L.). He then asked that those who could help with the Food Drive keep May 20th in mind. Clayton reported that the Constitution committee is trying to set a date & location to get together for a meeting. The President suggested Hill Road Café. Clayton also discussed his efforts to link W8ACW up to the IRA (Independent Repeater System) and the various ways to connect with them. Dave WA2KJC made several comments of interest on how to connect to their system.

A around the room was called for by the President

for any more comments, seeing none a motion to close was made and seconded the meeting was closed at 7:44pm

Greg Kensbock, KE5ALF, Secretary (W8ACW)
