General Membership Meeting Minutes

May 16th, 2023

The meeting was called to order at 7:00 pm by President Jerry Baker. A roll call of officers was called and those in attendance were, Jerry Baker - President, Gregory Kensbock - Secretary, Mark Oliver – Member at Large, Roberta Vasilow - Treasurer was excused.

There were 10 members present for the meeting and 1 regular member on Zoom.

The Treasures report was called for and given by the Secretary who reported that we have a balance of \$4,850.61 on deposit, a motion to accept the report as given was voted on and passed. A reading of the minutes of the last meeting was given by the secretary, there was two corrections made to the minutes Clayton did not mention linking the 3-4 to the W8ACW it is the KCKGZ 47100 and it is linked. The Member at large was asked if he had a report and he stated he had none at this time.

Old Business,

The President discussed that as of today he has not heard from Jeff KE8ICG as to whether we can use the school as a site for Field Day. He also reported that Annette O’Malley from the CRIM organization was supposed to be at this meeting to let us know about our participation in the CRIM race, but that he has not heard anything from them at this time.

New Business,

There was no New Business brought up for discussion.

Show and tell,

Dave Holm KE8WFW, gave a presentation on his 1X6 Arduino based antenna switch box that he built over the winter. And Al Smith WB8YOB gave a presentation on his Digital Synthesis Arduino based VFO

Around the room,

A discussion about no longer holding our “Board meetings” on ZOOM was discussed, the consensus being that if a member wanted to have an input for the Board they should show up in person. A motion was made to that fact and passed unanimously. It was also brought up to get a birthday card and have it signed by those in attendance at the next Membership meeting for Robert Grieve. A call for any more discussion was made and seeing none a motion to adjourn was made and passed. The meeting was closed at 7:27pm.

Greg Kensbock, KE5ALF, Secretary (W8ACW)
