General Membership Meeting Minutes

Nov 19th, 2024

The meeting was called to order at 7:00 pm by President Jerry Baker. A roll call of officers was called and those in attendance were, Jerry Baker - President, Roberta Vasilow – treasurer, Gregory Kensbock - Secretary, and Mark Oliver – Member at Large.

There were 14 members present for the meeting. The minutes of the previous meeting were read, and a motion to approve them as read was made and passed. The Treasures report was read, and Bobbie reported that we have a balance of \$4,656.22 was on deposit. The president then asked for the Member at large if he had a report and, Mark stated he did not have anything to report at this time.

Committee Reports

The maintenance crew reported that there is still an issue with our 34 repeaters. but they are in the process of correcting the issue. They stated that there are several issues that might be the problem and that they are in the process of checking the several probable issues.

New Business,

The president brought up that was an interest in running a “Turkey Hunt” for Thanksgiving but since it’s too close to Thanksgiving the motion was made and passed to hold an Easter Egg hunt instead. For those that do not know what it is, it’s when we set up a transmitter to send out a signal and the object is to find where the signal is coming from. And the person who finds it first wins a “Ham Dinner”. Motion was made and passed.

Old Business,

Election returns for the position of president were returned and President Jerry Baker was reelected for a second term of office.

Show and tell,

Al Smith gave an informative discussion on his Yasue FT897-D radio and what was needed to make the proper connections for its use.
